

IN "BODY SEARCH",

EVEN IF YOU DIE, YOU CAN'T

REALLY DIE.

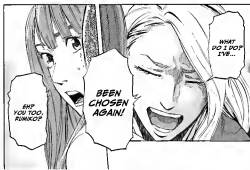

STUDENTS WHO

ARE KILLED BY THE "RED PERSON"

APPEAR BEFORE EVERYONE THE NEXT DAY

SAYING "FIND MY BODY".

It wasn't an important lesson, but I couldn't focus at all in class.

It was the same class as the previous yesterday and I could only think about the Body Search.

With a memo I wrote, I wanted to ask about the Body Search.

Or so I told, but only their fears were written down.

Remember of not going to school when they see if they're already interested

I don't like the science room!

IT DOESN'T SEEM LIKE ANYONE'S ASKING IF I'M INTERESTED...

From that entire interaction, I felt someone's eyes on me.

AGAIN!

DURING THE
BODY SEARCH, IF
YOU HAPPEN TO RUN
INTO THE RED
PERSON,

YOU HAVE
TO RUN AWAY
WITHOUT SEEING
HER AGAIN.

AND AS
FOR THE "EVEN
IF YOU DIE YOU'RE
NOT ACTUALLY DEAD"
PART, IF YOU
DO DIE,

BUT
THERE'S
NO USE IN
STANDING
HERE AND
TALKING
ABOUT IT.

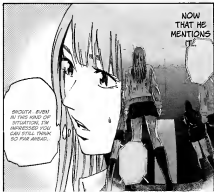

LET'S
DECIDE ON
OUR MOVE WHEN
WE GET TO THE
STARTING POINT AT
THE STUDENTS
ENTRANCE

YOU CAN
STILL FEEL THAT
PAIN AND ARE SENT
BACK TO TODAY.

WHAT
THE
HELL?

WHAT
THE
HELL!!

Then just
like this, we
returned to
school...

The second
Body Search
attempt has
begun.
